1965 EMERALD

The Annual Staff for 1965 invites you to take a tour of our new school. The new classrooms were ready for the students when school began in the fall. And now, as the year draws to a close, the Annual Staff and the student body are proud to show you their new school in this annual.

This year has seen a great renewal in school spirit and participation. Perhaps the most outstanding was the school production of "Li'l Abner."

Next year we hope this feeling will not only continue, but grow.

SCHOOL BOARD

SEATED: Richard Bennett, Director; Eugene Gunderson, President; Lyle Jasperson, Clerk; STANDING: Earl Rowntree, Treasurer; Warren Hansen, Director; W. K. Carter, Superintendent.

IN MEMORIAM

Loving and kind in all his ways,
Upright and just to the end of his days;
Sincere and true in his heart and mind;
A beautiful memory he left behind.

He had a nature you could not help loving;
A heart that was purer than gold;
And to those who knew him and loved him,
His memory will never grow cold.

FRANK DUFENHORST

A School Board member gives much to his community in the way of loyalty and service. Frank Dufenhorst gave eight years of his life furthering the quality of education at the Waterford High School. He gave unselfishly of time and effort whenever called upon to do so. The school and the community will miss him, but all have benefited from his efforts.

ADMINISTRATION

W. K. Carter

Superintendent

Waterford High School

A school is present in community because experience has shown that it offers essential services which no other institution can provide. Each young person must determine individually the amount of service he or she derives from it. The school may attempt to guide young people so they will profit from experience in and out of the classroom, but no individual can be forced to learn. If you have gained from the experiences provided during your years at Waterford High School, our time--and yours--has been well spent.

I sincerely hope that each time you page through this annual it will remind you of pleasant experiences during your stay at Waterford High School.

It has been a pleasure working with such a fine faculty and student body. May I extend to all of you my very best wishes for an interesting and successful future.

ADMINISTRATION

Donald C. Beardmore

Principal

Waterford High School

In our world of ever-increasing tempo and never-ending change, we sometimes sympathize with the author who said:

> "I wish there weren't quite so many new ideas.
> Where do they all come from? Why is everyone
> trying to break away from what we all know is
> sane and good?"

But, of course, change is inevitable and it is doubtful that the pace will slacken. However, it does not necessarily follow that we must dread the future. We need not equate change with unpleasantness so long as we wisely control the direction of those changes.

I am confident that our youth, with their natural spirit of optimism and determination, will prepare themselves and do what they must to ensure that in the years ahead "change" will always mean "improvement."

Donald C Beardmore

This year the annual staff was under the direction of advisor Mr. Sunby and editor Judy Nelson. The 28 members of the staff, all members of the upper 3 classes of the school, were divided into groups. Each group, headed by one person, worked on a certain section of the annual.
Work on the annual involved writing, drawing, typing, and many other things which might be useful to its members. They also gained valuable experience in working together as a group to make the annual a success.
This year's annual was the largest that has been published having 10 extra pages. A supplement will also be sent out in the fall containing Spring activities.

SCIENCE CLUB

The Science Club, which was a newly organized activity, promotes an active interest for the students of Waterford High in the sciences of our time. It tries to teach the members of the club a little more about their science courses, the arts of careful observation, the importance of an open mind, and the use of the scientific methods of experiment. Each member is given an opportunity to explore a certain scientific interest of his own and report his findings to the whole group.
The officers which were elected were: President: Bill Pischke, Vice President: Lee Spencer, and Secretary: Kathy Sheahan. Mr. Schneider is their advisor.

MATH CLUB

The Math Club was organized for the first time this year by Mr. Hammer. Its purpose is to provide an opportunity for students who are interested in mathematics, to meet and discuss and work on problems which are not usually covered in a high school course.
Its members worked on individual projects. Some of these were constructing a simple adding machine, discussing Fermat's last theorem, and working in topology.
The Math Club officers are: President: Gary Rugel, Vice President: Eddie Joehnk, and Secretary-Treasurer: Lynn Busse.

PHOTOGRAPHY CLUB

This year the photography club enjoyed working in the new darkroom, provided by the building program. The members took many yearbook photos, pictures of various school activities, and kept a pictorial account of the new addition. In addition, to these activities, each member had individual portraits or coloring photographs as a project.
The Club elected four officers this year. They were: President: Carolyn Collins, Vice President: Mary Spencer, Secretary-Treasurer: Donna Toler, and Reporter: Bonnie Bronenkant. Mr. Bixler supervised their work.

Under the new constitution, only those who maintain a C average and have a current record for dependability, usefulness, and trustworthiness were admitted to final membership in the Library Club.
Miss Handran and the members of the club greatly enjoyed working in the new library.

PROJECTOR

Mr. Bixler has kept the fourteen members of the projector club on the go this past year. The main objective of the club was to learn to operate audio-visual equipment, movie and slide projectors, etc. When educational films in various classes were shown, those were the people who operated the projectors. They all did a fine job!

FRENCH

A new club, just organized this past year at Waterford, is the French Club. It is the first foreign language club in school. It is open to all French students and anyone else interested in the French language or the country of France.
Shawn Streed was elected president, and Sandy Mohr secretary. Marcia Cahill was the negotiator between the French Club here at school and the one at the Junior High School. Bob Mohr was the alternate.

DRAMA CLUB

The purpose of the Drama Club is to promote dramatic activity at Waterford High School. This activity includes: working on the settings, lights, costumes, acting, and singing which go into the making of a production.
Last November, the drama club put all of these projects into use, when they staged the musical, "Li'l Abner." Many new costumes had to be made, as well as new scenes, and songs had to be created to fit the atmosphere of this musical. As a smaller group, it provides the students with the opportunity to gain added experience and to learn the functions of the band before joining the larger band.

DANCE BAND

The Dance Band provides an opportunity for the more experienced performers to work with music which is more challenging to them. The group, which is led by Mr. Davison, was called upon to perform at various social functions throughout the year. They performed at a school dance and at the "Baby Beef Banquet."

These uniforms improve the band's appearance and were greatly appreciated by its members. The band also moved into the new bandroom, which has built-in risers, cabinets and many other welcomed features. The band performed at all home football games and presented a halftime show at the Homecoming game. They also participated in the Winter and Spring Concerts held at our school. The band competed in the Solo and Ensemble Contest and in the Band contest held at Whitewater. They also performed at all local functions such as parades and assemblies. Members of the band made up the Dance Band, the Pep Band which played at all home Basketball games and pep sessions, and the pit band which performed in the musical "Li'l Abner." CHORUS

The Vocal Music Department has had a busy and profitable year. With a sixty-eight voice Mixed Chorus, a Treble Choir, and a Freshman Ensemble called the Nonettes as the basic performing groups, the department has grown considerably. Other ensembles have been performing folk songs and a Male Quartette called the Rivermen has been organized.

One of the most memorable events of the year was the Chorus active participation in "Li'l Abner," Waterford High School's first musical. After a busy schedule of rehearsals for this presentation, the Chorus began practicing for the Winter Concert which was presented with the Band.

Other activities included Christmas caroling, a Valentine Concert, a Spring Concert, and participation in the annual Music Festivals at Whitewater.

Another new feature of the Vocal Department is the addition of Choral Robes. The robes are an iridescent green with reversible stoles in egg-shell and white, and add considerably to the performances.

No! It's not a new club. Girl's Athletic Association has simply adopted a new name--Girl's Recreation Association. This year's activities included volleyball, basketball, bowling, and softball. The girls played hostess to G.R.A. members from other schools for fun nights and also entertained the W-Club. The association also sponsored some dances.
Miss O'Mera and Miss Rathbun were this year's advisors. A new constitution was adopted this year and enabled its members to put forth more effort for a letter in the club.

W-CLUB

The main purpose of the W-Club is to further athletics at Waterford High School. Mr. Wiese is the advisor of this select group which contributes much to the atmosphere of the school. Any athlete who has earned a letter in any competitive sport is eligible to be a member.

They sponsored concession stands at football and basketball games and sold articles such as pennants, pins, and sweatshirts. With this money they paid for such things as sports film, advertising, and letters. They also sponsored parent's night at football and basketball games, and all-school track meet, Homecoming activities, and W-Club-G.R.A. fun night and picnics.

This year the W-Club added a special touch to our gym by putting up pennants with the name of each school in our conference on them.

HOMECOMING 1964

Marc Smolensky, Rick Westlund, Jim Treffinger, King Ron Jasperson, Queen Karen Howe, Bonnie Olson, Toni Vogt, and Barbara Busse.

Homecoming activities began with the election of Karen Howe as queen, and Ron Jasperson as king. The ballots for the queen were cast in the homerooms on Tuesday, October 6, for the four representatives. Those nominated were Karen Howe--Senior; Bonnie Olson--Junior; Toni Vogt--Sophomore; and Barbara Busse --Freshman. The king was chosen by the football team, as were the rest of the representatives. The remaining three included Jim Treffinger--Junior; Rick Westlund--Sophomore; and Marc Smolensky--Freshman.

On Thursday, October 8, the Senior boys were busy gathering the wood for the bonfire, while the Senior girls prepared the gym for the dance Saturday night, under the theme "Salem Bewitched." Thursday night the pep session included several skits put on by the classes and by other various organizations. The pep session closed with the presentation of an orchid corsage to Queen Karen Howe and the presentation of the "Mr. Ugly" trophy to Craig Duda. The bonfire followed.

The Homecoming game on Friday, October 9, was held between Waterford and Salem. Topping off this Year's activities was the dance on Saturday night, presided over by the elected royalty. Music for the evening was provided by the "Knight's of Rhythem."

CHEERLEADERS

The A and B-Squad Cheerleaders for this year boosted both the football and basketball teams to their championships. Both squads bought new uniforms for the basketball season, and they sponsored a dance to pay for these outfits. At the Cheerleader Clinic held last October, they learned new techniques to pep up their crowds. Miss Rathbun, the physical education teacher, was their advisor.

The Wolverines of Waterford High School, coached by Mr. Baas, captured the second championship of the new Southeastern Badger Conference by beating out their three conference opponents with very impressive scores. Their over-all season record was six consecutive wins and two losses.

Captain Bob Guth led the team with 644 yards gained by rushing. Jim Skarie gained 967 yards while passing for these champs. Dick Reesman caught eight passes for touchdowns. All together, sixteen seniors represented the Wolverines in their winning season.

B-TEAM FOOTBALL

The Waterford High School B-Team, coached by Mr. Christiansen, had an excellent winning season of five victories and only one loss.
With mostly sophomores, freshmen, and a few juniors, this small number of boys showed a lot of spirit and gave all they had to make their team a tough one.
This should be a good indication of some good years to come. The student body and the coaches can be proud of this team.

The Waterford High School Freshman Football team, though few in number, were mighty in spirit and desire to win football games, as evidenced by their record.

Due to the number of boys out for the team, it became necessary for them to scrimmage against the sophomores quite often. This may have proved to be the best incentive. There were no outstanding players but there were no goldbrickers either.

We, the coaches, hope that this pride to succeed and improve will not lessen as this team gains experience.

VARSITY BASKETBALL

ROW 1: Nemath, Smolensky, Wiese, Clark, and Krueger. ROW 2: Skarie, Treffinger, Reesman, Frost, Uttech, Jensen, Casper, Guth, Ketterhagen, Irwin and Dietz.

The Waterford Cagers have been playing an exciting brand of basketball by employing a full court pressure defense which in turn blends well with the fast break type of basketball.

Despite the lack of size, the Wolverine quintet did an excellent job by compiling an over-all 12-1 record and a 6-0 conference record.

Three outstanding senior athletes, Bob Guth, Dick Reesman, and Jim Skarie, shouldered the scoring and rebounding burden of the Wolverines. Reesman and Guth are leading the team in rebounding. Reesman is averaging 9 rebounds per game, and Guth 8 rebounds per game.

The tough job of guarding the opponents leading scorer has been handled by Jim Skarie who has done a fine job all season.

Whatever this team lacks in skill or height, it makes up for it two fold in desire.

The Waterford Wolverine B-Team had an an outstanding season this year. Under the leadership of Coach Christianson, they battled their way to an 11-1 record. The team's only loss was to Greendale with a score of 36-32 in the last 30 seconds of the game.

The starting five players on the team were: Tony Caliva, Jeff Halbach, Wes Chamberlain, Tom Greil, and John Pakulski. Tony Caliva, the team's playmaker, took them into this near perfect season.

Many of the boys have shown themselves as excellent prospects for future varsity squad players.

FRESHMAN BASKETBALL

BASKETBALL COACHES: B-Team, Mr. Christiansen; A-Team, Mr. Wiese; Freshmen, Mr. Baas.

The Waterford Freshman Cagers, led by Dale Roanhouse, Dave Rogalski, Tom Joehnke, Doug Noble, and Mark Laughran, had a moderately successful season this year. Hurt somewhat by lack of height, the young Wolverines relied on a hustling man for man defense forcing the opponents to lose the ball or hurry their shots.
